

Our portfolio of 5-Star rental properties at The Island

The Island - About the space

Those luxury townhouses are located within a well-kept ultra luxury urbanisation, The Island, beachfront West Estepona. This contemporary style homes offers 3-5 bedrooms, 3-4 bathrooms, open plan living, dining and kitchen area, and rooftop solarium offering 360* views. Gated urbanisation with 24/7 security.

Picture yourself waking up to breakfast Al-fresco on your private terrace with your family and friends. Our place has been artistically designed, to promote a sense of relaxation and calmness all around, come and experience our houses.

The Townhouses

The properties are laid out as follows; You can either enter access to the property via the garage on the lower level or the front door on the ground level.

On the ground level you find the spacious living-room with television, open plan modern fully fitted kitchen with dining area, ground level garden terrace accessed via a wall with patio door, to give you that inside outside feel. Ground level may have a bedroom in some houses. You can access the garage through the living room.

On the first level you will find the south facing (pool and sea view) master bedroom with en-suit bathroom. 2 north facing twin bed bedrooms, one of them has a private sun terrace and a shared shower room. There are some layout variations among the houses.

Rooftop sun terrace with a private hot tub, chill out lounge area and siting area with stunning views on the mountain, communal pool and the Med. If you are looking for a bit of TLC with your family those are the properties to come to. The prestigious urbanisation is so calm year around and offers an Olympic sized pool plus smaller pool and baby pool located in beautifully maintained gardens. Well-equipped gym.

The Island Casa Escandinavia

This contemporary townhouse located on the outskirts of the Garden Town of Estepona. It's located in a five-star beach front community with a big Olympic Swimming Pool, Infinity pool, kids pool and a fully equipped Gym and Spa with a Turkish bath, Sauna, circuit spa pool and ice bath.

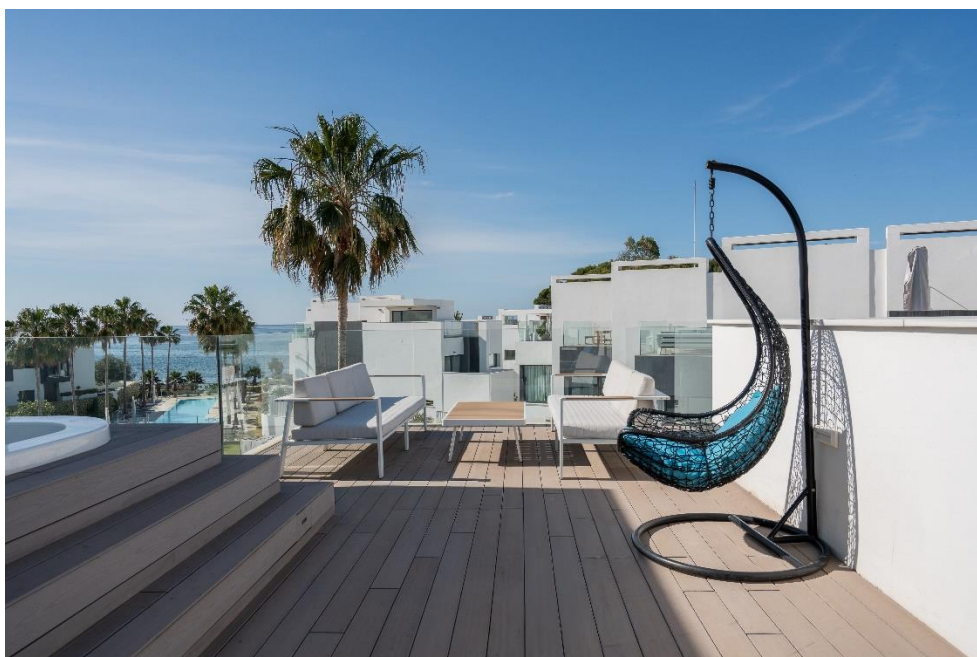

The townhouse has 4 double bedrooms and 3 bathrooms. Master bedroom which looks out on the sea and the community comes with Walk-in closet and ensuite. On the same floor is the other two bedrooms with views over Sierra Bermeja (the mountain range) which shares a bathroom. All bedrooms are tastefully decorated with comfortable beds and duvets. The fourth bedroom and third bathroom are downstairs on entry level.

The open plan kitchen and living room is located on entry level. Modern decor which suits summer as well as winter with a big island, dining table and a big sofa Infront of the television and open fireplace. Out through the sliding doors you reach the private terrace with another seating and dining area looking out on the community.

On the rooftop terrace is the BBQ, Jacuzzi and lounge/ seating area the perfect place to end the evening. You can also catch the sun in the sunlounges, if you want a little privacy with beautiful views of the mountains and the sea.

The house also comes with a garage with extra fridge freezer, laundry area and garage which fits 2 cars. The house has underfloor heating in all the bathrooms and in the living room kitchen. All TVs are smart TVs so that you can log in to your favourite subscriptions at home or cast. The whole house is also airconditioned to handle the hottest months of the year and heated of course during the winter.
